

ΘΕΜΑ 1. ΚΑΤΑΝΟΗΣΗ ΓΡΑΠΤΟΥ ΛΟΓΟΥ

Read the text and decide if each statement (1-10) is True (A) or False (B).

Tilos, an island of the Aegean Sea near Turkey, welcomes people from Syria. Twelve families from Syria now live on the island with 500 Greek people. This is very important! In other places in Greece, people from Syria live a very difficult life and they cannot work. But on Tilos they can work in hotels, restaurants and shops.

On Tilos they live in the town near tavernas and the sea. Their houses are simple, but the place has a lot of trees and children can play and run around. It is better to live on Tilos than on other islands such as Lesbos and Chios. On other islands, men, women and children from Syria feel very sad and they want to leave to other countries.
