Read the text and choose the correct option (True or False) for items 1-10.

Teacher: Harry, why is Hydra quiet?

Harry: Because there isn't much traffic there, and there aren't any factories.

Teacher: You could be right. Gina?

Gina: There can't be much traffic. Hydra is very small.

George: I'm not sure, but Hydra has no other town or village, only the main port. The island is dry and all rocks.

Teacher: You almost got the answer. There aren't any cars on the island. You can find only mules and donkeys. You can use your feet, of course, if you like!

Nick: I don't like walking up difficult roads.

Teacher: What about its history? Does anybody know about Hydra's history?

Class.....

Teacher: Come on say something.

Elena: All I know is that Hydra was important in the Greek War in 1821.

Teacher: Bravo Elena! Well, you can find some information on Hydra's history in our school library.
