

ΘΕΜΑ 1. ΚΑΤΑΝΟΗΣΗ ΓΡΑΠΤΟΥ ΛΟΓΟΥ

Read the text and decide if each statement (1-10) is True (A) or False (B).

It was morning, and the new sun sparkled gold across the tiny waves of a gentle sea. A fishing boat upset the sea and a thousand of seagulls flew close to the boat to fight for bits of food. It was another busy day beginning. But alone, out by himself and far away from the boat, Jonathan Livingston Seagull was practising. Most seagulls do not bother to learn more than the simplest facts of flying -how to get from shore to food and back again. For most seagulls, it is not flying that is important, but eating. For this seagull, though, it was not eating that was important, but flying. More than anything else, Jonathan Livingston Seagull loved to fly. Other birds didn't like this kind of thinking. That was why Jonathan Livingston Seagull was alone. Even his parents were disappointed as Jonathan spent his days alone, trying to fly low, just above the sea, stretching his wings in the air.
